SINGLE DOOR
Prehung Unit includes: 4-9/16" pine veneered wood core jamb with pine colonial stop applied and 3 brass plated hinges. Bored for lockset with a 2-3/4" backset.

STYLE A
LOUVERS UP
The louvers are angled up as the door swings toward you. Commonly used for bath and furnace rooms.

STYLE B
LOUVERS DOWN
The louvers are angled down as the door swings toward you. Commonly used for closets.

DOUBLE DOORS
Pine T-Astragal with face mounted head and foot pins applied to stationary door. Active door is bored for lockset.
